

Thursday 30th June 2022

Workshops

08.00	WORKSHOP REGISTRATION OPENS
08.30 – 17.00	CLINICAL RESEARCH EDUCATION WORKSHOP (CREW)
08.30 – 17.00	TECHNICAL RESEARCH WORKSHOP (TRW)

Friday 1st July 2022

07.15	REGISTRATION OPENS
09.00 – 11.00	SESSION 1: WELCOME, OFFICIAL OPENING AND KEYNOTE PRESENTATIONS
09.00 – 09.10	Welcome to Country
09.10 – 09.15	Official Welcome
9.15 – 10.30	INVITED SPEAKERS Future Directions: Sustaining innovation in radiation medicine research
9.15 – 9.50	International Keynote address Wally Curran Embedding radiation medicine research in practice
9.50 – 10.10	International Speaker Michelle Wilson NZ perspective to cancer plan and cancer research
10.10 – 10.30	Dorothy Keefe Australian Cancer Plan and Cancer Australia Research Strategy
10.30 – 11.00	MORNING TEA & EXHIBITION
11.00 – 12.00	SESSION 2: PLENARY SESSION - Oral Abstract Presentations
11.00 – 11.15	Dr Lachlan McDowell Patient-reported outcome measures in early-stage HPV-associated tonsillar carcinoma based on radiotherapy laterality: a TROG 12.01 substudy
11.15 – 11.30	Prof June Corry

	TROG 12.01 HPV trial: RTQA
11.30 – 11.45	Dr Adam Byrne Cost-effectiveness of stereotactic ablative radiotherapy versus standard radiotherapy in early-stage non-small cell lung cancer: an analysis based on the CHISEL trial
11.45 – 12.00	A/Prof Brendan Mulhern Extending the value of quality of life measurement in cancer: Enhanced services offered by CQUEST
12.00 – 12.30	SESSION 2: PLENARY SESSION: RapidFire Abstract Presentations
12.00 – 12.06	Dr Paul Youn Survival following stereotactic body radiation therapy (SBRT) versus surgery for stage I non-small cell lung cancer (NSCLC) in an Australian population
12.06 - 12.12	Prof Peter Greer Providing dosimetric auditing to assist international centres participating in Australian clinical trials
12.12 – 12.18	A/Prof Joerg Lehmann Correlation between internal and external anatomy motion during DIBH breast RT treatments
12.18 – 12.24	Dr Robyn Hill Development of a cardiac SABR clinical trial
12.30 – 13.30	LUNCH & EXHIBITION
13.30 – 15.00	SESSION 3: TUMOUR GROUP 1: Lung
15.00 – 15.30	AFTERNOON TEA & EXHIBITION
15.30 – 17.00	SESSION 4: TUMOUR GROUP 2: Head, Neck and Skin
17.30 – 19.30	WELCOME FUNCTION

Saturday 2nd July 2022

07.15	REGISTRATION OPENS
07.30 – 08.45	Sponsored Breakfast Session (Elekta)
09.00 – 10.30	SESSION 5: PLENARY SESSION – INVITED SPEAKERS Novel Research Methods
09.00 – 09.30	Helana Verkooijen Novel trial design
09.30 – 9.45	Kate Burbury Teletrials and tele-medicine - lessons from Haematology
09.45 – 10.00	TBC Teletrials – the QLD experience
10.00 – 10.15	Shoni Philpot The power of Big Data: Registries and Data Linkage
10.15 – 10.30	Panel discussion / panel Q&A

10.30 – 11.00	MORNING TEA & EXHIBITION
11.00 – 12.30	SESSION 6: TUMOUR STREAM 3: Breast
12.30 – 13.30	LUNCH & EXHIBITION, EXHIBITION
13.30 – 15.00	SESSION 7: TUMOUR STREAM 4: Central Nervous System
15.00 – 15.30	AFTERNOON TEA & EXHIBITION
15.00 – 17.00	TROG Scientific Committee Meeting (invitation only)
15.00 – 17.00	Member promotional videos/photos (invitation only)
19.00 – 23.00	GALA DINNER

Sunday 3rd July 2022

07.15	REGISTRATION OPENS	
07.30 – 08.45	Sponsored Breakfast Session (Varian)	
09.00 – 10.30	SESSION 8: PLENARY: KEYNOTE & NATIONAL SPEAKERS Engagement with Priority Populations	
09.00 – 9:20	Madhavi Chilkuri Regional and rural engagement in cancer clinical trials	
9.20 – 9.35	Lee Hunt Consumer engagement in research	
9.35 – 9.50	Miriam Cavanagh ATSI engagement in cancer research/clinical trials	
9.50 – 10.10	International Keynote Prof Diana Sarfati NZ experience of engaging with priority populations and improving cancer outcomes	
10.10 – 10.30	Panel discussion / panel Q&A	
10.30 – 11.00	MORNING TEA & EXHIBITION	
11.00 – 12.30	SESSION 9: TUMOUR GROUP 5: Genitourinary	
12.30 – 13.30	LUNCH & EXHIBITION	
13.30 – 15.00	SESSION 10: CLOSING PLENARY	
13.30 – 14.15	Trials in Development Dr Hien Lee & Ms Kelly Skelton Australian Proton Therapy Clinical Quality Registry (APTCQR) A/Prof David Pryor A randomised controlled trial of Standard of Care versus RadioAblation in Early Stage HCC (SOCRATES HCC) Dr Trang Pham MRI-Guided Stereotactic Ablative Radiotherapy for Abdominal Malignancies (MRL SABR)	
14.15 – 14.25	Prof Trevor Leong President's Report	
14.25 – 14.35	A/Prof Sasha Senthil TROG Scientific Committee Report	
14.35 – 14.45	TBC RTQA update	
14.45 – 14.55	Prof Martin Ebert SDA update	
14.55 – 15.00	Meeting Close and Introduction to ASM 2023
